Administrative Map of Cambodia Year 2005

This map displays the administrative districts of Cambodia as of 2005. The map uses various colors to delineate provincial boundaries and labels numerous districts, such as Preah Vihear, Kampong Thom, and Sihanoukville. Key geographical features include the Mekong River, Tonle Sap, and the Gulf of Thailand. A legend identifies symbols for OD Centers, Provincial Boundaries, Main Rivers, and the Gulf of Thailand. A scale bar indicates distances up to 100 kilometers, and a compass rose shows cardinal directions.
